

REMARKS/ARGUMENTS

Claims 1-5 and 8-18 are pending in the application, as claims 6, 7 and 19 have been canceled without prejudice and claims 20-24 have been previously canceled in view of a restriction requirement. In the Office Action, claims 1, 2, 6 and 8-19 were rejected under 35 U.S.C. 103(a) as being unpatentable over U.S. Patent Application Publication 2003/0177267 to Orava, et al. (Orava) in view of U.S. Patent Application Publication No. 2004/0090929 to Laux, et al. (Laux) and further in view of U.S. Patent No. 5,920,597 to Khayrallah, et al (Khayrallah). In addition, claims 3-5 were rejected under 35 U.S.C. 103(a) as being unpatentable over Orava in view of Laux in view of Khayrallah and further in view of well-known prior art. Finally, claim 7 was objected to as being dependent upon a rejected base claim.

Independent claim 1 has been amended by incorporating the limitations of dependent claim 7 therein. Independent claim 14 has been similarly amended. In view of the above, Applicants submit that the above claims are now patentable over the prior art. Reconsideration and withdrawal of the rejection of the claims is respectfully requested. Passing of this case is now believed to be in order, and a Notice of Allowance is earnestly solicited.

No amendment made was related to the statutory requirements of patentability unless expressly stated herein. No amendment made was for the purpose of narrowing the scope of any claim, unless Applicants have argued herein that such amendment was made to distinguish over a particular reference or combination of references.

In the event that the Examiner deems the present application non-allowable, it is requested that the Examiner telephone the Applicants' attorney or agent at the number indicated below so that the prosecution of the present case may be advanced by the clarification of any continuing rejection. The Commissioner is hereby authorized to charge any necessary fee, or credit any overpayment, to Motorola, Inc. Deposit Account No. 50-2117.

Respectfully submitted,

Date: June 8, 2007
